Make Your Mark

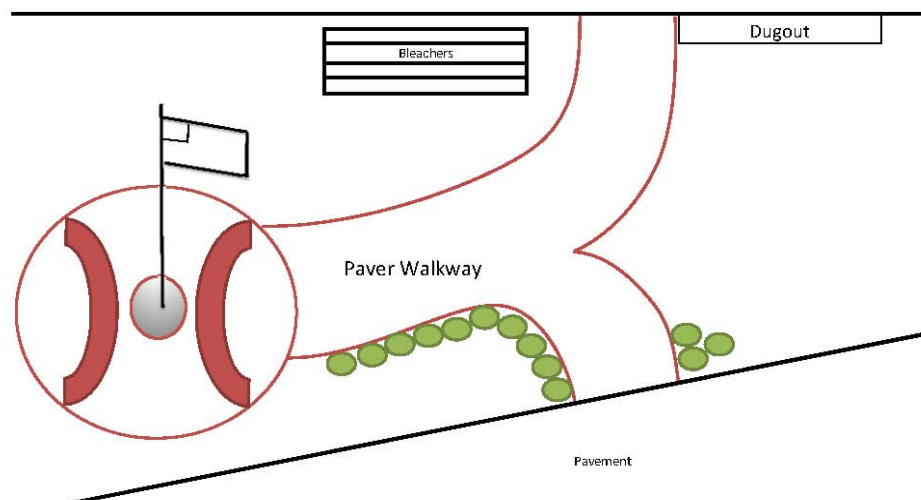

Imagine having your name immortalized for everyone to see!

Indian Creek Recreation is building a walkway around the Indian Creek High School softball diamond as part of a diamond improvement project. This visible area will have a lighted flag pole and will be surrounded by engraved pavers.

This commemorative walkway is intended to be a beautiful and lasting testament to donors, supporters and friends of the towns associated with Indian Creek.

Whether you choose to add your own name, a memory of a loved one, the name of an outstanding individual in any field or pay tribute to a close friend or relative, the Indian Creek walkway will be a lasting showcase.

Proceeds from the paver sales will be used to help fund improvements to the Indian Creek High School softball field.
